

## **Maryland State Day – 2018**

**May 26, 2018**

**Log Cabin**

**A one-half inch scale project**

**Saturday Workshop - 8 A.M. to 3 P.M.**

**Church of the Ascension**

**23 North Court Street**

**Westminster. MD**

**Come join us for a Maryland State Day!**

**The project is a one-room “Log Cabin”**

You can use your imagination to make this versatile 1/2-inch scale structure anything you would like it to be. Be creative and design your cabin to fulfill your dreams!

Your Registration Fee of \$75.00 includes lunch and the workshop. Lunch is a sandwich with fruit, chips, dessert and beverage.

As a participant you are invited to take part in tray sales. A tray sale is as many items as you can get on to a lunch tray that you might like to sell. There will also be a Silent Auction with many treasures.

For further information about attending the workshop contact Nancy Chalmers at (443-799-0155) or [nancychalmers@hotmail.com](mailto:nancychalmers@hotmail.com)

Committee members will showcase their prototypes at the Yard Sale on May 12, 2018, the First State Mini Show (Delaware Show), the Lancaster Show and at club meetings.

This cabin is designed to fit into a 12” x 12” basketball case. (Cases will not be included in the State Day fee.)
